## **11 Termination and consequences of breaching these Terms**

We are entitled to cease to make available the Standards (and any part of them) and terminate these Terms and/or any licence granted to you under these Terms for any reason on notice set out on the Site.

Any failure by you (or anyone acting on your behalf) to comply with any of these Terms will result in the immediate termination of any licence granted to you under these Terms.

Termination of these Terms and/or any such licence granted to you shall be without prejudice to any rights and/or obligations which may have accrued prior to termination and any rights and/or obligations which expressly or by implication are intended to commence or continue in effect on or after termination.

Without prejudice to any other rights or remedies IAASA has under these Terms or under applicable law, you acknowledge and agree that IAASA's licensors reserve the right to take action against you for infringement of their copyright and/or other intellectual property rights.

If IAASA fails to insist that you perform any of your obligations under these Terms, or if IAASA does not enforce its rights against you, or if IAASA delays in doing so, that will not mean that IAASA has waived its rights against you and will not mean that you do not have to comply with those obligations. If IAASA does waive a default by you, IAASA will only do so in writing, and that will not mean that IAASA will automatically waive any later default by you.

These Terms express the entire agreement between us and you.
