Financial Reporting Supervision Unit

Principal Functions of FRSU

- To examine whether the financial reports of issuers whose Home Member State is Ireland under the Transparency Regulations complies with the relevant reporting framework
- Liaising with other countries' financial reporting monitoring bodies
- Co-operating in the development of accounting standards and practice notes
- Assisting the Board to discharge its functions as an advisor to the Minister on accounting related matters

Recap on IAASA's financial reporting supervisory/enforcement function

- Central Bank is the central administrative competent authority for the purposes of the Transparency Directive.
- IAASA is the independent designated competent authority for carrying out functions under Article 24(4)(h) of the Directive, i.e.

“..to examine that information referred to in this Directive is drawn up in accordance with the relevant reporting framework and take appropriate measures in case of discovered infringements.”

What issuers come within IAASA's supervisory remit?

- Applies to all issuers with securities (debt and equity) admitted to trading on an EU regulated market i.e.
 - Shares
 - Bonds or other forms of securitised debt
 - Derivative securities
 - Units issued by closed-ended investment funds
- Applies for accounting periods commencing on or after 20 January, 2007

Issuers whose Home Member State is Ireland

Effectively means –

- issuers of shares and debt securities denomination <€1,000 listed in regulated EU market with registered office in Ireland;
- issuers of shares and debt securities denomination <€1,000 - that are registered outside EU - that are required to file an annual information document with the Financial Regulator; and
- issuers of debt securities – denomination per unit > €1,000 who have chosen Ireland as their home Member State from among the Member States in which they have their registered office and those Member States where their securities are listed on a regulated market

Review constituency as at 31 December 2008

Category	No. of issuers in category	Half-yearly financial reports issued per annum	Annual financial reports issued per annum	Total no. of periodic financial reports issued per annum
Equity	35	35	35	70
Funds	56	56	56	112

Total	225	175	225	400

Certain debt issuers are exempt from the requirement to make public half-yearly financial reports for a period of 10 years

Methodology for selection of entity for review (1)

Selection criteria include:

- Risk of material misstatement in the financial statements
- Potential impact on users of financial statements in the event of material misstatement
- Supplemented with random selection of financial statements for review

Methodology for selection of entity for review (2)

Risk factors include:

- financial structure and business/economic trends
- financial position and ratios
- industry specific issues
- audit qualifications and related issues
- corporate governance and control environment issues
- incidence of related party transactions
- incidence of business combinations and/or disposals
- administrative, court and/or regulatory actions
- third party signals (e.g. complaints received by IAASA, press reportage, referrals etc)

Methodology for selection of entity for review (3)

Assessment of impact of material misstatement:

- share trading activity and volatility in stock price
- market capitalisation
- number and nature of investors
- nature of securities traded
- public profile

IAASA's approach towards issues

- What a review entails.....
- Review issues addressed, in the first instance, through correspondence with issuers with request to respond
What an IAASA letter contains
- Additional correspondence where further clarification or further elaboration is required
- Where relevant/applicable, further action determined having regard to significance of issues arising and directors' responses to matters arising
- Issues being posted to EECS database will also inform IAASA's review activity/focus and IAASA decision may be posted to EECS database.
- Has not, yet, been necessary to invoke powers

Actions in response to IAASA correspondence (1)

- Initial letter → information gathering and not necessarily an indication of non-compliance
- Timescale for response.
- Involve advisers
- Comprehensive responses and explanations
- Set out proposed rectification actions, if applicable
- Ensure compliance with undertakings made

Actions in response to IAASA correspondence (2)

Auditors could:

- enquire of issuers regarding IAASA correspondence and assist issuers in meeting undertakings given

IAASA's statutory powers

Minimum requirements as per TD (and more) including power to:

- require auditors and issuers to provide information and documents
- require an issuer to disclose the required information
- make public the fact that an issuer is failing to comply with its obligation
- carry out on-site inspections
